I-PRESENTATION OF ENGAGE & SHARE

Engage & Share is an organisation that aims to educate and train young people in community involvement so that they can address the challenges affecting women and girls in their communities for sustainable and inclusive development. The organisation was created in 2022 under the terms of association declaration receipt n°0284/ PA/SG/D2 in accordance with the provisions of articles 07 and 08 of law n°60-315 of 21 September 1960 relating to associations. Our vision is to foster communities development in favour of women and girls in a sustainable and inclusive way. To this end, our mission is to promote a culture of individual and collective commitment among young people to address the challenges facing women in their communities. Our aim is to combat all forms of barriers and social exclusion for women and girls. But also to give them the means to make their voices heard in society, to encourage their participation in the decisions that affect them and to promote their commitment to concrete projects that contribute to the well-being of women and girls.

AREA OF INTERVENTION: **Community involvement**

We believe that community involvement is an important element in the development of a community or a country. Our aim in this area is to encourage young people to become **catalysts for change for women and girls** in their communities.

IV-JOIN ENGAGE & SHARE

Engage & Share is a place for commitment, sharing and discovery. We enable young people to get involved in projects that are close to their hearts, to meet other people, to develop their skills and to help them build a world that is sustainable, more caring and fairer for women and girls.

1- Develop your community

As an Engage & Share volunteer, you will have the opportunity to get involved in tackling the challenges facing your community through key actions that will help achieve the Sustainable Development Goals by 2030.

2- Volunteer certificate

As a volunteer, if you decide to leave Engage & Share without having taken actions contrary to our values, you will be entitled to a certificate signed by the President and a well-known personality so that it can be of use to you in your professional life.

3- Training certificate

As an Engage & Share volunteer, you will have the opportunity to earn training certificates that will enhance your skills and resume.

4- Letter of recommendation

As an Engage & Share volunteer, you will be entitled to letters of recommendation whenever the need arises, provided that the leadership we wish to impart to our volunteers is reflected in your actions. These letters will be used to support your applications for the various calls for international mobility programs.

5- Opportunities

As an Engage & Share volunteer, you will have the opportunity to represent Engage & Share at international opportunities that will enable you to develop your own network and promote the organization internationally. You will receive regular updates on available international programs. If you decide to apply for one of these mobility programs, there will be people available within the organization to help you with your application.
